

GOLDEN RULES

- Everyone must abide by the referees' decisions at all times.
- The players and coach shake hands with the opposition after a game.
- If you can not attend a training session or a game, inform your team manager and/or coach.
- Parents are supportive of coaches at all times.
- The players and coach must be at the venue 10 minutes prior to game start for the regular season and arrive 20 minutes prior during finals.
- All families take their turn in scoring and supervising training (if the coach is under 18 years of age) when rostered.
- Coaches will strive to give players equal court time - our club's philosophy is 'pleasure and participation', not 'win at all costs'.
- Players must pay attention and respect their coach.
- Players agree to play and train in the team selected.
- Only coaches are permitted to instruct players during a game.

If you think another golden rule should be added to the list, please contact a committee member. Authorised by the Ivanhoe East Basketball Club.
