

REPRESENTATIVE BASKETBALL 2019/20 SEASON

What is Representative Basketball?

Representative Basketball gives you the opportunity to improve your basketball and compete against other metropolitan and regional Associations. All teams are graded according to their ability up to 'Victorian Championship' which is the highest standard of basketball you can achieve in Victoria at a junior level.

Ivanhoe Darebin Basketball Association has girls and boys' teams representing the association in the Melbourne United Victorian Junior Basketball League (MUVJBL). We have a strong development program headed by Coaching Director Michael Follacchio, and we are looking for eager, talented players of all ages to try out for our teams.

Guiding Principles

- To provide an opportunity to play at the highest level.
- Everyone to achieve their personal best.
- A year-long commitment to play against other committed teams in the basketball community.
- Fair and reasonable court time commensurate with commitment and ability (but not necessarily equal court time).
- Squad approach to training.
- Honesty and respect between players, coaches and parents.

When and where are games?

Games are played on Friday evenings, with commencement times between 6.40pm and 9.40pm. Younger age groups (U12 and U14) usually play at the earlier game times.

Ivanhoe Darebin Knights home games are played, usually every second week, at Darebin Community Sports Centre (Reservoir High School). Away game locations depend on home locations of opposing teams.

What is involved in Rep training?

Players are expected to train with their Rep squad twice per week. Training is usually held on Sunday morning, as well as on Tuesday or Wednesday evening.

Most training sessions are held at our home courts at Darebin Community Sports Centre, however other venues such as Charles La Trobe Secondary College and St Kevin's Primary School Templestowe, may be used.

Most training sessions go for 90 minutes, although some may be 60 minutes.

In the event that Rep training clashes with Domestic team training, then Rep training usually takes precedence.

How long is the season?

Representative basketball requires year-round commitment. The season begins in October with selection trials and practice matches. Grading matches are conducted from November to March, and the season of 18 rounds runs from March to August.

Finals are in August/September.

What are the age groups?

Teams comprise players who are under the age of 12, 14, 16, 18 and 21 on 31st December of the year in which the season finishes. This means that you generally play for two seasons in each age group.

What level of commitment is required?

All players are expected to:

- Attend nominated training and skills sessions.
- Attend all games even when injured (although not when ill).
- Understand that accepting a place in a team is a season-long commitment to that team.
- Report all injuries to the coach before playing or training.
- Meet financial commitments in full.
- Speak directly with Coach and Team Manager if unable to meet any of the above commitments.
- Give notice and negotiate the impact of school sporting or other activities on their basketball commitment, e.g.: dates of anticipated conflicting school commitments or family holidays that will be taken during the season.

Representative players are strongly encouraged to also play for Saturday Domestic teams in the EDJBA Basketball Association, and/or to coach or referee if old enough.

What are the selection guidelines?

- Attendance at all three selection trial sessions
- Basketball skills
- Commitment to training and games.
- Balance of player numbers / skills / attributes in teams
- Ability commensurate with receiving reasonable court time.
- Commitment to the Saturday Domestic program.

Full details of selection criteria are in the [Rep Program Handbook](#) which can be downloaded from the association website at <https://idba.org.au/member-information/>

What does it cost?

Registration fee

This covers training, coaching expenses, team registration with MUVJBL, insurance, trophy costs and administration. The registration fee for the 2018/19 Rep season was \$700, or \$640 if paying up-front in full. 2019/20 fees TBA.

Game costs

This works differently from the Saturday games. For Rep, there is a weekly cost of entry into stadiums (players and spectators all pay) plus scoresheet fees. Most venues charge \$3 per person entry, and the scoresheet averages out at around \$8 to \$9 per player per game.

Uniform

The uniform is different from the domestic (Saturday) uniform and it can be purchased from our supplier Fiddes Sport, Unit 15, 24 Brand Drive, Thomastown. Players are required to purchase the playing shorts, singlet, and a hoodie.

It is anticipated that a uniform package will be available, comprising a singlet and shorts, training uniform and bag.

Tournaments

Players are expected to be available for a tournament on the Australia Day weekend in January, unless they have a notified long-standing prior commitment. Tournament starts at 5pm on the Friday, continues all day Saturday and Sunday, with finals held on the Monday.

Representative teams may also play in 1-2 other tournaments during the season, on a weekend, long weekend or school holidays during the season. Possible tournaments will be discussed by coaches and team managers early in the season.

All tournament costs (team entry/stadium entry/transport/accommodation etc) are the responsibility of players and their families.

Codes of Conduct

Players and parents must agree to be bound by the Ivanhoe Darebin Basketball Association and Basketball Victoria, Player and Parent Codes of Conduct. You sign and return these to your Team Manager prior to start of season. Ivanhoe Darebin Basketball Association requires that all club members and officials have read our Rep Handbook and comply with our codes of conduct.

Other parent commitments

One parent on each team is required to be the Team Manager, and all parents are expected to offer their services for scoring. Many teams have a roster for this.
